

MAKING OREGON VITAL FOR ELDERS

“Leadership Pathways to Culture Change”

Feb. 13, 2008 ❖ 1:00 - 4:00 p.m.

Special Pre-Meeting Lunch Program:

Introduction to Culture Change: 11:30-12:30 p.m.

*Oregon Medical Foundation Education Center - Kinney Room, 11740 SW 68th Parkway, Portland**

Step into the future of long-term care as **Nancy Fox**, Executive Director of The Eden Alternative, speaks about the current culture change movement that is sweeping across this country and others. Learn from one who has been there and lived to tell the story!

In this session, Nancy will discuss some of the many lessons learned from her own personal journey through the culture change process in a 120-bed skilled nursing facility in central Texas. Through that experience and her subsequent work leading an international culture change organization, she has identified the leadership pathways to a successful culture change journey. Outlined in further detail in her book, **The Journey of a Lifetime: Leadership Pathways to Culture Change in Long-term Care** (published in March 2007), these pathways are the driving force behind any effort to move toward a culture of person-directed care. **Note:** Nancy’s book

will be available at a cost of \$25 (cash or check only).

Audience: Anyone interested in changing the way we care for our elders: Hands-on staff, CEOs, administrators, nurses, social workers, activity professionals, dietitians, therapists, ombudsmen, elder advocates, regulators.

Pre-Meeting Program: 11:30-12:30 **“Introduction to Culture Change”**
